

Association of Public Library Administrators  
October 26, 2004

We met at the Greenville County Library for a tour at 10:00 A.M. Our tour guide was director, Beverly James. We enjoyed seeing the library in Halloween décor.

We viewed a presentation about online advertising by WSPS-TV Channel 7. We noticed that some large areas of our state were not covered by WSPS affiliates.

At 11:15 A.M. the business meeting was called to order by president, Yolanda McCormick.

Those present were: Martha Bailey, Salley Davidson, Beverly James, Jim Johnson, David Lyon, Yolanda McCormick, Sarah McMaster, Anne Moseley, Thomas Reddick, Carl Stone, Marilyn Tsirigotis, Norris Wootton, and Wlodek Zaryczny.

The minutes for September 24, 2004 were approved. Norris Wootton offered the one correction that she was present though excessively late in arriving. The financial report through October was also presented.

The Library Trustee Award committee will be Martha Bailey, Beverly James and Marilyn Tsirigotis.

Legislative Action sessions are upcoming in November. All are invited and encouraged to attend and bring Friends and other citizens.

Jim gave his report from the State Library. An advertisement for his position has appeared in *Library Journal*. He reported on the budget hearing with the Governor. Planning for amending the state documents legislation is in the works. The State Library will be administering the PASCAL databases. The State Library will have access to the PASCAL academic databases. This access may then if possible be extended to public libraries.

Yolanda mentioned the library school recruitment session to be held at SCLA.

Sarah asked if we could follow up on the web site advertising idea. She also mentioned the idea of a CD swap at the February 4<sup>th</sup> APLA meeting.

Meeting adjourned at 12:15 P.M.

Respectfully submitted,

Norris Wootton
